Subject: Gold King Mine Response || CI staffing

Enrique,

As requested, below and attached is the latest version of the CI staffing for the response. This may amend today or tomorrow, as Amanda Pease further develops her strategy on what effort is needed. Linda Reeves can stay longer; so she can replace David in the field on Sunday (if that is what the IC decides).

Subject: Staffing Charts

Anna-Marie—Here is the staffing chart from yesterday. I'm updating for today, and will get with Yolanda after her meeting to find out more regarding who's out there and what they are doing. Maybe all three of us should meet?

Also is the CIC staffing I used to populate the global staffing chart.
